

## **2010 FORT MCCOY QUOTA HUNTING INFORMATION AND APPLICATION**

**Fort McCoy 2010 Fishing, Archery, and Small Game Permits:** Fort McCoy has successfully established procedures for the sale of hunting and fishing permits through the Wisconsin Department of Natural Resources (WDNR) Automated License Issuance System (ALIS). Starting in March 2009, Fort McCoy Fishing, Archery, and Small Game permits must be purchased through an authorized WDNR ALIS agent (e.g. WDNR Service Center, local sport shops, Pine View Campground, etc.). Fort McCoy hunting and fishing permits will not be available for purchase on the WDNR web site, by phone, or from the Permit Sales Office. **Fishing and Hunting Regulations will be available at the Permit Sales Office, Fort McCoy Welcome Center, Hunter Information Points, and on the Fort McCoy Public Web site at [www.mccoy.army.mil](http://www.mccoy.army.mil).**

**Hunting and Fishing Permit Fee Increase in 2011:** Fort McCoy strives to provide affordable hunting and fishing opportunities and therefore have not increased permit fees since 1996. However, increased management costs and reduced federal budgets have caused us to evaluate current permit fees and recommend an increase starting in 2011. Revenue from the sale of hunting and fishing permits, in conjunction with federal funding, are used to support the management of fish and wildlife habitat and populations on Fort McCoy.

**Youth Mentorship Program:** Wisconsin established a youth mentorship program in 2009. This program **will not** be instituted for the 2010 Fort McCoy Fall Hunting seasons.

**Deer Hunt for Persons with Disabilities:** A 2-day deer hunt for persons with disabilities will be held on **October 2 and 3, 2010**. This hunt is open to those with a Wisconsin Category A and C disability. Individuals with a Wisconsin Category B disability **AND** authorization to hunt from a vehicle are also eligible to apply for this hunt. **Applications will be available July 1, 2010 and will need to be received by September 24, 2010. Contact the Permit Sales Office for specific information.**

### **NEW FOR 2010:**

- **HUNTERS CHOICE APPROVAL CHECKBOX:** The 2010 Fall Hunting application now has a Hunter's Choice Approval check box under the Gun-Deer section. Individuals who mark this box will have their name entered into a drawing for a Hunter's Choice Approval. Individuals with a Fort McCoy Hunters Choice Approval can harvest one deer of either sex at anytime during the Fort McCoy Gun-Deer season using their WDNR Gun Buck Deer Carcass tag. **HCA's do not represent a bonus deer tag.**
- **GUN-DEER ANTLERLESS BONUS TAGS:** Starting in 2009, Fort McCoy Gun-Deer Antlerless Carcass Tags were sold to Gun-Deer permit holders through the WDNR ALIS system for \$12.00. These bonus tags may again be available in 2010 if deer management strategies dictate. Information regarding the Fort McCoy Gun-Deer Antlerless Carcass Tags will be available at the Permit Sales Office, Fort McCoy Public website, and the Hunter Information Points by October 1, 2010.
- **EMAIL NOTIFICATION AND SURVEYS:** In 2009, the Wildlife Program developed hunter surveys that were sent to permit holders via email addresses provided on their applications. Based on the comments we received, we are looking into areas that will enhance the hunting experience and maintain healthy wildlife populations. **This method of gathering hunter input will continue and be expanded in the future.** If you would like to receive information and surveys by email, please be sure to include your email address on your application
